So why should I join Band?

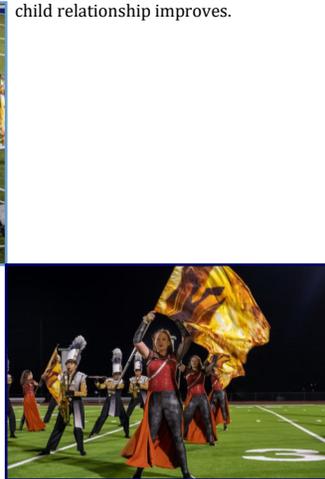

The Jordan Band and Guard programs have already developed a region wide reputation for mature performances. Joining the band opens new opportunities and offers endless rewards in education, leadership, time management, great memories, and life-long friendships. We welcome you in becoming a part of this rich tradition of excellence and outstanding quality in musical performance.

The band program exists to provide an excellent music education to students. Students achieve this goal through individual study and group performances in various ensembles including marching band, concert band, full orchestra, and chamber ensembles. The skills learned in band such as mental discipline, dedication, consistency, and diligence transfer to other disciplines of study.

FAQ

Can my child be in athletics AND Band?
Yes! We often times have many students who participate in various sports and other activities in addition to band! We will help with the scheduling.

Yes, band can be very time intensive, but we also use this as an opportunity to teach our students about time management. It's very achievable with many of our band students in other activities and in the top 10% of their class!

As a parent, what can I do to support my child in the band program?
Because of the amount of extra events and activities the band is involved in, we are always looking for parent volunteers to assist us any way they can. There is no limit to the amount of parent help that is needed with our programs, and it is a great way to be involved in your child's high school experience!

Is my child required to participate in marching band?
Yes, participation in the marching band is part of the state curriculum and also allows for your child to receive their High School P.E. credit. Marching Band is also a positive experience!
